I have been a resident of Rowena for 17 years. There have been many times in the past that I have reached out to the commission and Code compliance regarding the abuse of the community of Rowena by landowners having complete disregard for adhering to any regulations.

Perhaps the monumental task and cost of clean-up could have been somewhat reduced if Code compliance was proactive and enforced the rules set forth by the commission and land use.

Rowena , is located in one of the most beautiful areas of the CRG and part of the Historic River Highway. In the future let us respect the land and grow a new thriving community.

Thank you,
